**A complete protection from Termites,  
Borers & Fungus:**

Termites are tiny but they make massive destructions. Malabad Chemicals has now brought yet another user- friendly and eco-friendly termite repellent solution, which keeps away termites and borers from your precious furnitures. We have proven formula for termite treatment affiliated by Institute of Wood Science and Technology, Bengaluru.

**Curative applications for prevention and protection:**

Application of Wood Guard Total 120 before making a furniture, creates a barrier for infestation of termite and if applied after making a furniture, it safeguards from the attack of the termite and protects the wood for a longer period.

**Usage:**

- Wood Guard Total 120 is a transparent oil based ready-to-use solution.
- It's prominently used on Plywood, Wooden Boards, Wooden Planks, Wooden Furnitures and on any Wooden Articles & Artifacts.
- It has a very easy application method by brush or spray. However, where the infestation rate is too high injection or immersion procedures can be applied.
- Firstly, clean well the surface of the wood, now apply the coat on the surface and on all the sides thoroughly.
- As it's an oil based solution it gets absorbed & spreads easily and evenly inside the pores of the Wood. After 8 hours, you can paint, polish or process.
- It's a transparent solution hence, it retains the natural texture of the wood and won't leave any stains.

**Striking features:**

- It's a ready-to-use mixture.
- No need to dilute or add any additives.
- Organic termite repellent.
- Lab tested and affiliated by Government.
- Researched and developed from more than a decade.

**Dosage:**

- Apply single coat on all the sides of the wood, especially on the joints.
- 1 Ltr Wood Guard Total gives a coverage of 175 sq. feet.
- For a longer protection you can apply the double coat.

**Special Feature**

Carpenters use this mix this solution in the paints as it's reduces the cost of Thinner/ Turpentine and also gives a complete Anti Termite Treatment.

Wood Guard Total 120 is committed to Eliminate Repel Massive Infestations of Termites Everywhere.
